NOTE

In this document:

- 'the Club' refers to the Philadelphia Cricket & Community Club, and, where the context allows, any official of the Philadelphia Cricket & Community Club, e.g. Committee member, team coach/manager etc and any other appointed person(s) working on behalf of the Philadelphia Cricket & Community Club.

The Club fully understands and acknowledges any player's/member's right to pass reasonable and considered comment on a specific match, or on the sport in general. The Club does, however, expect all such social media postings to be constructive and relevant given the potentially unrestricted audience of media software such as Facebook, Instagram & Twitter.

The following conditions apply to any social media posting which relates either directly, or indirectly, to the Club. These conditions also apply to any posting that might reasonably be regarded as reflecting on the Club in any way.

No social media posting may be made by a player/member which:

- contains any threatening, abusive, insulting or indecent language
- discriminates on any grounds of race, colour, ethnic origin, nationality, faith, sexual orientation, social class or disability
- is detrimental to the interests of Philadelphia Cricket & Community Club or to the game of cricket in general, or which brings Philadelphia Cricket & Community Club or the game of cricket into disrepute
- the individual could reasonably be expected to know would implicate a third party in any disciplinary or legal hearings. This may include, but is not restricted to, the copying and redistribution of any third party social media posting
- the individual might reasonably be expected to know would undermine the unity of a team, and or the standing of Philadelphia Cricket & Community Club in general
- discloses any matter which is confidential to Philadelphia Cricket & Community Club. This may include, but is not restricted to, team selection, tactics & injuries.

All players/members are reminded that while an individual's opinions may not represent those of the Club, they can very easily reflect on the Club. As such, all players/members are expected to consider the Club's values as well as its long and proud history in any social media postings that they choose to make.

Any player/member failing to adhere to this code of conduct will face disciplinary measures and may be suspended or banned from representing/attending the Club.

Given the potentially severe sanctions following any breach of the code, players/members should keep all login details and passwords secure.
